10 mantras *for the Entrepreneur*

GO ALL IN
OR SHUT IT DOWN.

Celebrate yourself. You deserve to be celebrated.

Being nice may not get you to the top of **THAT** mountain, but it will get you to the top of another.

Put your blinders on and wrap yourself in bubble wrap.

Practice saying yes to yourself and no to everyone else.

It can always be less complicated. **Always.**

CONFIDENCE IS THE RESULT, NOT A PREREQUISITE.

MY INNER CRITIC
IS AN ASSHOLE
AND
I DON'T LISTEN TO
ASSHOLES.

Rule breakers are the new rule makers.

Winging it today prepares you to be an expert tomorrow.
